

SEMINARPROGRAMM I / 2019 – E-LEARNING

RESEARCH INTEGRITY

This internationally developed program is designed to provide postgraduate, postdoctoral and early career researchers with a better understanding of the obligations and responsibilities today's researchers have. You can obtain a license either for the short or for the long version of the course.

RESEARCH AND WRITING SKILLS FOR DISSERTATIONS AND PROJECTS

Researching and presenting a final-year dissertation or capstone project is a daunting and challenging process for many students. This suite of ten online multimedia-rich modules are designed to address this challenge and provide additional, on-demand support.

STATISTICAL METHODS FOR RESEARCH

Whether you need a course which starts from scratch, or just want more confidence when using statistics, this course can meet your needs and covers key areas such as confidence intervals, hypothesis testing and statistical modelling. This program is targeted at providing you with the statistical skills you need to complete your research reports and to understand and evaluate statistical models.

UNIVERSITY LEADERSHIP AND MANAGEMENT

This course covers the broad topics common to a management syllabus, including organizational change, strategic planning and managing people and resources, but with a specific focus on the challenges faced by leaders and aspiring leaders working in universities and colleges. The course is designed to help equip you with the specific skills for a management role in a higher education context.

BASISWISSEN BWL

In diesem ca. einstündigen Kurs lernen Sie, wie sich das „Universum BWL“ zusammensetzt und wie die unternehmensinternen und externen Bereiche zusammenspielen. Folgende Themen werden im Kurs behandelt: Kostencontrolling (welche Kosten und Kostenarten entstehen im Unternehmen?), Kennzahlenanalyse und -berechnung, der Aufbau einer Bilanz, Gewinn- und Verlustrechnung.

Anmeldungen sind bis 1. September 2019 möglich. Bitte melden Sie sich auf unserer Homepage an, um die Lizenzen für einen oder mehrere Kurse zu erhalten!

Registration is possible until September 1, 2019. If you are interested in obtaining a license for any of these courses, please register on our homepage!
