HOW (AND WHY) TO BECOME A DOCTORAL CANDIDATE

INFORMATION SESSION FOR MASTER'S STUDENTS

JUNE 21, 2023

If you are approaching the end of your master's studies and are considering pursuing a doctorate at Heidelberg University, this event is for you. New doctoral candidates generally begin their PhD with many questions about registering and enrolling, funding their doctoral studies and much more. The Graduate Academy would like to provide you with the information necessary especially for your first steps toward a doctorate.

We can assist you with topics such as:

- formal steps and requirements for beginning your doctoral training
- how to find a supervisor
- structured doctoral programs vs. individual doctoral training
- registration and enrollment at the faculties and the university
- co-tutelle agreements
- funding for your doctoral project: fellowships and other funding opportunities
- research proposal support (Exposé-Beratung)
- qualification and advanced training for doctoral candidates
- ombudsperson for doctoral candidates
- initiatives for and by doctoral candidates

At our event **How (and why) to become a doctoral candidate** we will inform you about our own services as well as about other helpful contacts within the university. You will have the opportunity to ask questions during the event and to register for individual consultation slots in the weeks following the event.

We warmly invite you to come to our **information session for master's students**. Come and meet us on **June 21** in Hörsaal 10 (Neue Universität, Grabengasse 3-5)!

PROGRAM
